ARTISTIC RESIN CREATION

THE HOUSE OF ARTISTIC RESIN CREATION

A COUTURE COLLECTION OF FURNITURE, WALL ART, AND OBJECTS

At Artistic Resin Creation, epoxy becomes expression. We unite nature's raw beauty with master craftsmanship, transforming epoxy into extraordinary works of art.

Each piece is hand-finished with precision and passion—layered with luminous epoxy, enriched with rare stones, precious metals, and bespoke textures. The result is timeless luxury designed to elevate the world's most refined interiors.

From statement wall art to sculptural furniture and bespoke objects, our creations are more than décor—they are collector-grade investments, made for those who expect nothing less than the exceptional.

COLOR, TEXTURE & FINISH CUSTOMIZATION

Tailored to the project, not limited by standard collections.

At ARC, every surface is an opportunity for expression. Through precision color development, layered textures, and artful material fusion, we craft bespoke epoxy finishes that embody your vision with uncompromising quality and timeless beauty.

From subtle neutrals to bold statements, from refined metallics to organic depth—our custom solutions are designed to harmonize with your architecture, elevate your interiors, and leave a lasting impression.

**YOUR VISION. OUR CRAFT.
ENDLESS POSSIBILITIES.**

COLOR MATCHING
Precision-tuned hues matched to your vision, materials, and lighting.

FINISH SELECTION
Choose from gloss, satin, matte, metallic, pearl, or crystalline effects.

MIXED MATERIALS
Seamlessly combine epoxy with stone, metal, wood, glass, and more.

TONE BUILDING
Create depth and balance with curated tones and layered compositions.

TEXTURE DEPTH
Explore pours, swirls, reliefs, crushed elements, and multi-dimensional layers.

CUSTOM PALETTES

Architectural epoxy pieces for foyers, lounges, offices and luxury suites.

Our console tables and statement furniture pieces are crafted to command attention while serving purpose. Every surface is a fusion of epoxy artistry, natural materials and refined metalwork.

From executive desks and bar counters to vanities and sculptural pedestals, each creation is tailored to elevate modern interiors with strength, beauty and individuality.

Designed for impact, built for function—our epoxy furniture becomes the focal point in any space, reflecting power, taste and timeless design.

LUXURY EPOXY WALL ART SALON

*Statement canvases, sculpted panels
and gallery-scale epoxy art.*

Our epoxy wall art transforms interiors into emotional experiences. Each piece is a visual narrative of movement, contrast and refined elegance—handcrafted to captivate and endure.

Layers of metallics, mineral textures and organic flow come together in perfect harmony, inspired by geodes, oceans, and nature's endless beauty.

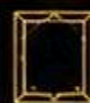

From intimate statement pieces to museum-scale installations, our creations set the tone for luxury living, curated hospitality and visionary interior design.

EPOXY CONSOLES
& PEDESTALS**

Form. Function. Timeless Expression.

Elevate every space with museum-worthy sculptural consoles and pedestals — where art meets intention, and luxury becomes a statement of presence.

Each piece is meticulously handcrafted using collector-grade epoxy, layered with translucent depth, metallic infusions, and botanical or mineral elements that shimmer with life and light.

From grand entryways to gallery halls, these extraordinary forms are more than furniture — they are obelisks of design, curated to command admiration and inspire conversation.

Bespoke finishes, custom dimensions, and couture details ensure every creation is as individual as the space it elevates.

SCULPTED BY HAND. CRAFTED FOR LEGACY.

LUMINAIRES**

Light. Captured in Resin. Designed to Dazzle.

Our Illuminated Epoxy Luminaires redefine what light can be. Each piece is a fusion of artistry and innovation — where light passes through layers of crystal-clear epoxy, diffusing through natural inclusions, metallic veils, and mineral fragments to create breathtaking depth and glow.

Gemstone-like translucency meets gilded detail, turning every luminaire into a sculptural masterpiece that transforms spaces into immersive experiences.

From celestial chandeliers to glowing monoliths, every creation is couture-crafted to be as rare as the environments it elevates.

EPOXY CHANDELIER ATELIER

Light becomes sculpture. Air becomes movement. Our Epoxy Chandelier Atelier explores the extraordinary—where luminous epoxy crystals, weightless butterflies, cascading droplets, and metallic branches unite in breathtaking compositions. Each piece is a harmony of light and artistry, designed to transform grand interiors into unforgettable experiences. From dramatic stairwells to serene dining spaces, from hotel lobbies to private residences, our chandeliers are couture creations—individually envisioned, meticulously crafted, and destined to inspire.

LUMINOUS BOTANICAL EPOXY PANELS

Illuminated statement art for refined interiors.

Where nature meets light, our Luminous Botanical Epoxy Panels transform walls into breathtaking experiences. Each panel is handcrafted using premium epoxy, delicate metallic detailing, and crystal-like elements that shimmer with brilliance. Integrated LED illumination casts a soft, ambient glow—enhancing depth, dimension, and the poetry of every botanical form.

Designed for luxury residences, hospitality, and bespoke interiors, these works of art bring serenity, sophistication, and a luminous presence to any space.

CRYSTAL TROPICAL EPOXY WALL COUTURE

Monochrome botanical glamour in brilliant relief.

Dramatic tropical forms are reimagined in luminous epoxy with crystal brilliance and sculptural depth. Each artwork features layered epoxy textures, hand-applied metallics, and hand-set crystal accents that catch and reflect light from every angle. The interplay of mirror-black backgrounds, silvery metallics, and jewel-like sparkle creates a bold yet refined statement of modern luxury. Bespoke sizing and compositions are available to elevate grand interiors, feature walls, and high-end hospitality spaces.

SCULPTURAL GEODE EPOXY TIMEPIECES

*Asymmetry, mineral drama,
and couture finish.*

Our Sculptural Geode Epoxy Timepieces are hand-built works of functional art, inspired by the raw beauty of natural geodes and elevated through couture craftsmanship. Flowing layers of resin are shaped into organic, asymmetrical forms, then accented with crushed crystal edges, metallic highlights, and rich mineral pigments. Each clock is a unique expression—no two are ever alike. Designed for collectors and connoisseurs who seek statement-making luxury with timeless precision. Custom palettes, sizes, and finishes available to suit your space.
